YMCA Programs for Child Care: A good place to grow

YMCAs are dedicated to providing high-quality, affordable child care. As the nation's largest provider of child care programs, YMCAs provide family-centered, values-based programs to nurture children's healthy development. Well-trained staff provide safe, affordable, high-quality care so you can have peace of mind while you work. Like all Y programs, child care is open to all, with financial aid available. Staff members are partners with parents and other caregivers, working together to help kids grow up healthy, happy and strong.

INFANT and TODDLERS:

Our care is based on individual needs of each child. From one on one snuggle time, to sharing a story on a teacher's lap, to moving and grooving on our soft climbers, each young child's individual needs are supported. We help children grow through planned learning experiences that incorporate the senses and early curiosity about the world.

We offer a *safe, nurturing environment* with activity areas that provide experiences for fine motor skills as well as large motor development. Experienced teachers dedicated to providing the best family care for our families!

PRESCHOOL/PRE-KINDERGARTEN:

Preschool/Pre-Kindergarten programs offer an abundance of hands on learning experiences by experienced, trained staff.

Well-planned learning centers that allow for child choice, self-directed play, and supportive teaching that prepares children for academic success. Good Child Care is good Family Care!

- Beautiful Grounds and playground area!
- Secure entrance
